

A Completely New Approach to Diabetes Management

The Livongo for Diabetes Program gives you tools to help you stay on track with your diabetes.

More than a Standard Meter
Your meter is connected and automatically uploads your blood glucose readings, making them accessible online and log books a thing of the past.

Coaching Anytime and Anywhere
Receive personalized tips with our meter and mobile app to help manage your diabetes. Our Certified Diabetes Educators answer nutrition and lifestyle questions.

Unlimited Strips at No Cost
Get unlimited strips and lancets shipped to your door with no hidden costs or co-pays. When you are about to run out, we ship more supplies, right to your door.

This program is offered at **absolutely no cost** to you and your family members with diabetes and medical coverage through the company plan.
